ORDER

The Employer-Petitioner's Request for Review of the Regional Director's dismissal of the petition for unit clarification raises no substantial issues warranting reversal of the Regional Director's action. Accordingly, dismissal of the petition is affirmed.<sup>1</sup>

<sup>1</sup> In denying review, we also reject the Employer's alternative request that the Board conduct an election among the employees of the Altpass Road and Highway 226 plants. The Union has disclaimed interest in representing the proposed consolidated unit, and, contrary to the Employer's assertion, this case does not present a determination by an arbitrator of unit appropriateness. We are thus without statutory authority to grant the Employer's request that we direct an election in the unit it proposes.
